

Merely

Practice bigamy

Accomplish

Make friends

You surround yourself with

Get sb to do sth

Have sb do sth

The number one influence in your life

Develop self-confidence

I'm looking for a nice, caring friend

Someone who accepts you for who you are

Dig yourself into a terrible hole

Ask sb for sth

Even the smallest lie will catch up to you

So vitally important

You are mistaken

You have to be yourself

She is an old hand

I have ruined many relationships

You can always start over

You never know what circumstances are going to occur

Good luck
