

93.11.10 sp cat calling

Is too much being made of this video

Interpreting it as compliments/complimentary

Are you annoyed by it

It is not complimentary

Objectifying women

Don't get me wrong

It is considered rude

Holler at you

You are no expert on this

Despite the fact that I am not

I'm more of an expert

The bottom line is

You would not care if those guys were attractive

They would be bolstering your self esteem/ego

There is nothing more a woman wants to hear than

This particular video speaks for itself

Go viral

An accurate depiction of life

Did they push the envelope?

Good luck!
